Therefore, we celebrated this day with a lot of enthusiasm by tying rakhi on the hands of their brothers and praying for each other's wellbeing. It is a

There was also a seminar conducted by the head of Rajaji National Park to inform us about the nature of elephants and how different species of animals are living harmoniously in the park. We also got an opportunity to ride those elephants who seemed extremely excited to have people

around them. It is always a treat to step out of our premises and go somewhere where we feel closer to the nature and have a chance to

sneak a moment of joy, which is what world elephant day meant to us.

“PRABHAT PHERI” – CELEBRATING AZADI KA AMRIT MAHOTSAV

13th Aug., 2022

Vande mataram! Bharat mata ki jai!
This is one of the ways to make the youngsters take Pride in being an Indian.

How we got our freedom should not be a conversation on just 15th August but a part of our day to day living.

We need to revisit the thought sincerely- the thought that together we stand and divided we fall. Our country's strength is in its citizens being together at all times and this lesson is best learnt in one's growing up years!

Vande mataram!

INDEPENDENCE DAY CELEBRATION

We took pride in unfurling of the national flag, enjoyed the play based on India's struggle for independence, sang melodious patriotic songs and gained knowledge about the struggles our

freedom fighters went through to gain independence. The theme for this year's INDEPENDENCE DAY

'Nation first, always first" was very well integrated in the entire programme.
