WOMEN'S DAY SPECIAL ASSEMBLY

March 8, 2025

A special assembly was conducted by Robin House on the occasion of Women's Day, celebrating the strength, dedication, and resilience of women. The highlight of the assembly was an impactful interview segment where Gaurangi, a student, interviewed members of our ancillary staff and the special educator, focusing on how, as women, they manage multiple responsibilities of home, work, and personal challenges. The staff members openly shared their heartfelt stories, touching upon the financial struggles and personal hardships many of them face, including being single-handedly responsible for their families. Their honesty and courage moved everyone present. One of the staff members

even sang a soulful song expressing how DGS (the school) gives her constant motivation and how students and the school environment become her source of strength.

A deeply touching moment occurred when one of the teachers became emotional during the assembly, and another teacher immediately stood by her side, offering words of encouragement and appreciating her incredible work as a special educator. This spontaneous gesture was a true representation of sisterhood and the spirit of Women's Day.

Adding to the beauty of the assembly, one of our matrons recited a heartfelt poem, leaving a lasting impression on everyone.

The event concluded with Mrs. Devgan, our Principal, appreciating the efforts and stories of the women who are the backbone of the school. She distributed handmade flowers as a token of love and admiration and urged the students to recognize and respect the sacrifices and hard work that each woman puts in for them.

The assembly turned out to be a memorable and inspiring celebration of womanhood, leaving everyone with valuable lessons of empathy, gratitude, and strength.
