Holi, known as the Festival of Colors, is a joyous celebration that also marks the arrival of spring.

The celebrations at our school began from the evening of 7th March, with the Holi bonfire, which is an important ritual of the festival. The bonfire symbolizes the victory of good over evil.

Students gathered around the bonfire and performed a special puja (prayer) to seek the blessings of the divine.

Next day, was the day full of fun and colour as both the students and teachers came together to enjoy each other's company and play with colours.

WOMEN'S DAY CELEBRATION

11th Mar., 2023

In the spirit of celebrating women empowerment, on March 11, 2023 we had the privilege of inviting the three larger than life heroes for a heart to heart conversation at The Doon Girls' School. They spoke to our girls about their childhood dreams and adulthood struggles and gave us lessons for life.

Mountaineer Mamta Rawat who saved 1000 lives during the flash floods of Uttarakhand told our girls to never give in to what people say; in her words "Earlier people could not understand why I risked my life to save unknown people. Today the

same people want their daughters to be like me, courageous, fearless and ready to help others even at any cost".

Dehradun based Paralympics shooter Dilraj Kaur is the first female para-rifle shooter from India. She has in her 17-year career won 28 gold, 5 silver and 6 bronze medals, including the World Games of 2007 in Taiwan and 2015 in Bengaluru. She paved a new way not only for herself but for many more in years to come who would follow her path. Her story moved all of us and filled us with gratitude.

Our other guest Gullista Ansari left her job of Rs 5000 per month, took a loan and bought an e-rickshaw and became the first woman to be driving an e-rickshaw in Dehradun at an age of 26 years.

"I think some people find it difficult to accept that I'm doing what has traditionally been regarded as a man's job. But then there are those who tell me that I'm an inspiration".

It was indeed an inspirational, emotional and mesmerising afternoon for all of us present there.
