THE DOON GIRLS' SCHOOL

4 Circular Road | Dalanwala | Dehradun | doongirlsschool@gmail.com

Visit us at www.thedoongirlsschool.com

On March 7th. 2022, SPIC MACAY, "The Society for the Promotion of Indian Classical Music and Culture Amongst Youth," visited our school. We had the opportunity to be a part of this wonderful performance by Sarod Maestro Pt. Tejendra Majumdar. The students from Classes I to VIII witnessed the mesmerising performance of the Maestro.

We also got a chance to interact with Pt. Majumdar. Panditji shared his knowledge and made us aware about classical music and the role of the musical instrument- the sarod. The renowned artist gracefully responded to all our queries about his work, Soul call 'Om Namoh Narayana', being one of the nominations for the Grammy Awards 2010. The evening was indeed a treat for all of us.

Exam Over...Yipeee !!!

Mar 9, 2022

Exams! Exams! Exams! A stressful phase. But the last day of examinations always brings a sigh of relief. This week on March 9, 2022, our final assessment got over and we all felt so relaxed. We were in a party mood to the fullest enjoyed ourselves.

It was such a wonderful feeling. This day is also special for us because we move step ahead on our academic ladder. We enjoyed our holiday and vowed to work harder and learn new lessons in our new academic session.

Refresher Dose

Mar 10, 2022

After a week of rigorous preparation, late night group studies and juggling between numbers and subjects for our final exams., we were all geared up on March 10, 2022 for a refreshing break. Thursday morning dawned clear and sunny, pitch set, audience excited and the players all charged up to exhibit their skills on the field.

We were fortunate to have with us Mr. R.P. Devgan, a keen and experienced sportsman. He shared some valuable techniques of a good game of cricket and gave some tips to play well.

The teams, Reds and Yellows had a neck to neck competition on the pitch. The wit of the commentators kept the viewers cheering and encouraging the teams. The Yellows emerged the winners. The morning proved to be a super-duper booster dose for all of us.

Alumni Speak

Mar 11, 2022

On March 11, 2022, Ex-Dynamo, Deeksha Bharti conducted an interactive session with the students of Classes VI, VII & VIII. She is multi talented as she has successfully ventured out as a Digital Marketer, Brand Consultant, Event Manager and a Motivational Speaker. We imbibed immense positivity from her. She appreciated the way The Doon Girls had given her a strong base to combat fears and live life carefree.

She shared the quote 'Winning does not mean being first, but doing better than before.' Competing with ourselves is what matters the most. I could relate well to the statement she made. From childhood we are taught to study hard and be serious. However we should study joyfully, work happily and play freely. Follow what our heart says, give our 100% and explore ourselves instead of limiting ourselves, were the life lessons we all carried with us after this program.

Blissful Sunday

Mar 13, 2022

'Each day of our lives we make deposits in the memory banks of our children'. The weekend (March 13) was really well spent. The students along with their parents, grandparents, uncles and aunts had a gala time in each other's company. It was an amazing sight to observe the enthusiastic kids sharing their feelings, experiences and joyous moments with them.

The fathers played with their wards and enjoyed losing the games to their little ones. The reunion wrapped up with a Food- Fiesta comprising mouth-watering delicacies. Such precious moments of togetherness was also shared over the next two weekends (20th & 27th) as well, with different sets of students.

Holi Celebration

Mar 18, 2022

Holi, the festival of colours, marks the beginning of Spring season and brings along joyful spirit and happy expression. March 18, 2022, witnessed a similar fervor in our school campus as all the students, residential staff and the support staff, celebrated the festival together. Moreover, the students enjoyed a special menu for the day and got tuck.

A night before, the students were a part of 'Holika Dahan', the celebration that depicts the triumph of good over evil. With the pledge of burning away all the negativity and sparking with positive thoughts, the festivities came to an end.

Makers' Space

'Designing is the process of creating, constructing and executing something useful, innovative, aesthetic and unobtrusive.' With the same objective, on March 19, 2022, Mr. Paul Damle, conducted a workshop on 'Design and Visual Mathematics'. Visualisation of shapes was explained through various demonstrations and hands-on activities.

Mr. Damle motivated the attendees to come together and form a 'Makers' Space'. It's a wonderful space that facilitates creativity, provides a platform to all the teachers from various subject areas to get together and create innovative products, as a team. The resource person wrapped up the workshop with an inspiring note, 'Education is application of knowledge'.

Mar 19, 2022

The topic for the month of March for the class boards was 'Theatre', to mark World Theatre Day, celebrated on March 27. The students of Class IV initiated the presentation by throwing light on the history of theatre. Similarly the students of other classes demonstrated the importance of theatre in one's life, the evolution process of this art through simple plays and a puppet show. The session was an enriching one.

Innovation Effect

Mar 28, 2022

On March 28, the students of Class VI proved to be budding entrepreneurs with their projection of innovative business ideas. The little innovators came up with various products with unique features. They pitched in their proposals in front of the audience and also responded to their queries with full confidence and conviction. The activity proved to be a wonderful exercise to enhance creative thinking and logical analysis.

The much-awaited outings were at the doorstep. The morning of March 21, started with a lot of excitement and enthusiasm. Four beautiful places were picked up for the annual trip of the students from classes 1 to 8.

Classes I, II, III & IV went to Song Valley Resort; Classes V, VI & VII went to Spillway Resorts; VIII went to a farm and school in Biharigarh where they played various adventurous sports and team building games.

Every experience was special in its own way and had a different charm. The students had a wonderful learning experience through multiple sports, trekking, visits and group activities.

Overall it was a fresh new album of fresh memories created, to be cherished for long.

Chef In The Making

Students of Class IV exhibited their culinary skills through their unique dishes prepared with healthy ingredients. 'Cooking without Fire' provided a platform to the little ones to enhance not only their speaking skills but also their innovative thinking. Each group demonstrated excellent team effort and coordination to bring out their recipes and present them in a creative way. The groups prepared and served veg. sandwiches, biscuit sandwiches, fruit cream and different kinds of shakes.

All the students of The Doon Girls' School along with the staff left for Rishikesh to offer puja and perform the ritual of the sacred aarti at the holy ghats of Ganga on March 31. This marked the commencement of the new session 2022-23.

It was a pleasing experience to offer diyas and watch them being swayed away by the flow of the Ganges. After this trip, on April 8, the second batch comprising the new students, too went for the same ritual before they started their new academic session
