The special assembly conducted by Robin house took us all in a festive mood through their melodious Christmas carols. The entire hall was decorated with sparkling lights and Christmas decorations. Walking down the steep slopes

*From when I was one, to now when I am sixteen,
I learnt about tea even before I was a teen.*

*The wind gives my hair a blow,
As I look at the baskets deep and hollow.*

*Every time I take a deep breath,
The aroma fills my nose like never before.*

*I run through & over the bushes,
as fast as the breeze gushes.*

*When I walk down the hills,
my heart feels multiple chills.*

*Walking down the steep slopes,
I hold my father's hand as tight as I can
telling everyone he is my inspiration,
and my hope.*

Her Beautiful Soul

*You walked around the corridor and fields,
and honestly you looked adorable in heels.*

*With your beautiful highlighted hair,
You fought every fear with flair.*

*You hugged me, held me tight that night,
In the sun, oh! your smile, it shone so bright.*

*On your shoulders you carried
so much love & emotion,
I kept wondering how you were always
in perfect motion.*

*On your skateboard you went across the dorms,
You danced fantabulously be it any form.*

*You mixed so well with everyone,
I wish I could be there when you needed someone.*

*Dear friend, I love you to the moon and back,
And I will always cherish the memories we had.*
